## What is AFOPA?

The **Australian Friends of Palestine Association** is a not-for-profit community organisation based in South Australia working to promote a just peace for the Palestinian people based on international law and UN resolutions.

*"Why Palestine? Because it is a just cause, a noble ideal, a moral quest for equality and human rights."  
– Edward Said (1935-2003)*

## Objectives of AFOPA

1. To promote peace in Palestine based on international law and relevant UN resolutions;
2. To promote Palestinian identity, heritage and culture to Australians and Australian Palestinians;
3. To support Palestinians in their quest to live in their own land;
4. To engage the Australian People, politicians, government, and other organizations to support Palestinians in Palestine and Australia;
5. To interact with other associations and people from time to time who promote the same and/or similar objectives;
6. To disseminate information promoting the objectives of the association through seminars, discussions and other educational processes;
7. To promote a forum to address charitable, educational and benevolent purposes for issues relating to Palestine and Palestinians;
8. To advocate and support Palestinians with special needs in Australia;
9. To raise funds to engage in charitable activities in order to support the charitable needs of Palestinians.

Unique products from Palestine – ceramics, embroideries, olive oil and other foods, Dead Sea skin care, olive wood from Bethlehem, organic and Fair Trade products.  
Plus an extensive range of books and resources.
